Relax by the fire or lend a hand as dinner is prepared for you in colonial style. Stir the chowder as it bubbles in our cast iron cauldron. See your prime rib, roasted "to a turn", as the only known authentic Roasting Jack still operating in America rotates slowly over a crackling fire of wild cherry logs. Beware the brimming bowl of freshly whipped cream - the perfect complement to New England's best apple pie.

While your dinner is cooking to perfection, enjoy a horse drawn wagon or sleigh ride through the valley on the Inn's pristine 600 acres. Shake off the chill with warm mulled wine or cider upon your return. Browse our extensive collection of colonial and federal period American antiques.
