"THE FASHIONABLE MURDERS"

You are all welcome to a special event, the National Awards for special fashion design boldness!

The fashions are so bold that they might knock you over or even kill you when you see them! That is, if the jealousy and in fighting exhibited by the designers themselves doesn't result in a death before the awards can be announced.

Guests may dress as casual, crazy, and comfortable as they choose. Most important, bring your thinking caps in case you are asked to solve a murder!

Join us for a fun laugh-filled night, a great dinner, and a mystery we need your help solving.
